FREQUENTLY ASKED QUESTIONS

Everything you need to know

ABOUT OUR YACHT & YOGA RETREAT

Do we sleep on the yacht?
You stay in carefully selected hotels on the islands. The yacht is your private way of travelling between the islands during the day, with plenty of space to relax, swim and enjoy the Adriatic.

How about the weather?
June and August are wonderful months to explore the Adriatic, with long, sunny days and warm temperatures. However, the sea and weather conditions can be unpredictable. The captain may adjust the route or schedule when necessary to prioritise safety and comfort.

Is there WiFi available on board?
Free WiFi is available on board the yacht and included in the hotels, so you can easily share your beautiful holiday pictures with family and friends back home.

How many people will be on board?
The retreat is limited to 8 guests, plus ourselves and one additional crew member. The Sealine can accommodate up to 12 guests, offering plenty of space to relax and enjoy life on board. The spacious flybridge is a real bonus, providing extra room to sit back and take in the beautiful surroundings.

What can we expect from the yacht?
The Sealine F430 (13.55 m) features a spacious flybridge, a cosy saloon, and generous areas for relaxing and sunbathing. Its hydraulic swim platform lowers into the water, making it easy to get in and out for a swim. The yacht is also equipped with stabilisation fins that minimise rolling and pitching, ensuring a smoother and more comfortable ride.

What in case of seasickness?
The Sealine F430 is a spacious, stable motor yacht equipped with stabilisation fins to reduce rolling and pitching. Most of our journey takes place around the sheltered Croatian islands. However, the sea can sometimes be unpredictable, and the yacht may rock. If you experience seasickness, our crew will be happy to offer advice and take care of you.

Is yoga mandatory?
Yoga is part of the experience but is in no way mandatory. You're welcome to join as much or as little as you like. You can also simply enjoy the wellness facilities, relax, swim, or take in the beautiful surroundings.

Which meals are provided?
You enjoy daily breakfast and dinner at our carefully selected partner hotels, chosen for their quality and focus on fresh, Mediterranean-style cuisine. During our boat trips, we provide refeshments, snacks and finger food. One of the highlights of the week is our much-loved BBQ on board the yacht on the final evening, with the sun setting behind us.

How much time do we spend on the yacht?
The yacht makes the journey just as enjoyable as the destinations. We combine scenic cruises with refreshing swim stops, island visits and the chance to spot dolphins. There's also plenty of time on the islands to explore, enjoy the hotel wellness facilities and browse local shops. The best way to discover Croatia is by sea. We take you to secluded spots that are difficult to reach by land, away from traffic and crowds, with a front-row seat to the beauty of the Adriatic Sea.

Are airport transfers included?
Yes, transfers to and from the nearby airports in Rijeka, Pula and Zagreb are included.
We coordinate your arrival and departure to ensure everything runs smoothly with the program.
Need help arranging your flights? Just let us know. We'll be more than happy to help.

What is included?
- The trip is all-inclusive, so everything listed in the program is included in the price.

What is not included?
- Travel to Croatia (flights or car expenses)
- Personal expenses on the islands
- Travel insurance
