2025 - 2026

HOW WAS OUR 2025 SEASON?

YOGA

Our yoga retreats are becoming more and more recognized – and the feedback has been amazing. Yes, it takes a lot of planning and organization, but seeing the smiles and hearing the stories makes it all more than worth it.

💡 A brand-new yoga program is coming in 2026... stay tuned for the next page!

BIKE

We've launched this year our new Trans adventure rides in Slovenia and Croatia. Here the people ride with their gravel/trekking bike from Tolmin to Rijeka and from Rijeka to Split on a **multiday trip**.

We've had great response and are adjusting also the good feedback points we've received to make it even better in 2026.

NEW PROGRAM LAUNCH

Trans Island takes the mountainbikers across 4 Islands Istria/Rab/Cres/Krk here in Croatia.

☀️ THANK YOU FOR AN INCREDIBLE 2025 ☀️

To everyone who joined us this year – riding, breathing, laughing and sharing.

Thank you from the bottom of our hearts.

You are the reason Zencycle exists: a space for adventure, calm, and true connection.

Haven't made it here yet?

In 2026, our doors are open once again. Whether you're looking for an EPIC Bike holiday, peaceful yoga in nature, or simply a week to reconnect with yourself – you're more than welcome in Croatia.
